Dear Ms. Koch:

This will acknowledge your recent correspondence in which you requested that I write a letter to the National Park Service on behalf of Mrs. Dorothy Barboni whose lease in the Mineral King Valley may be terminated.

You will be pleased to know that I recently sent such a letter, requesting that Mrs. Barboni's appeal be given full consideration, and if at all possible, that the lease not be terminated.

Thank you for expressing your interest in this matter. I am confident that a solution will be reached which will be agreeable to all parties.

Sincerely,

John Krebs
